

**In the Specification**

Please replace the pending specification with the substitute specification included herewith (Attachment A). An annotated version of the pending specification showing additions and deletions is included herewith as well (Attachment B).

Please add the following as the Abstract of the Disclosure

**ABSTRACT OF THE DISCLOSURE**

The invention relates to a threaded bolt provided with measurement planes for use in ultrasonic length measurement. After the threaded bolt has been fixed in a connection, such measurement is performed to determine the length change of the threaded bolt, in order to find out the tension within the threaded bolt in that way.
